RE: Grant Extension Request for Southernmost Point Museum

Dear Ms. Stuart:

The City of Key West respectfully requests a 6 month extension for the Southernmost Point Museum. This is an admirable project, and the entire project is 90% complete, however, the art work contracted for that memorializes the history of the area is not yet installed. I am aware the DAC does not like to extend grants, and I apologize for this request and added work. I will not request an additional extension, and all required paperwork and invoicing will be in your office prior to the close of the fiscal year and the grant closure date.

Sincerely,

A handwritten signature in dark ink, appearing to read "Annalise Mannix-Lachner", with a long horizontal line extending to the right.

**INTERLOCAL AGREEMENT  
FOR  
GRANT OF FUNDS**

This AGREEMENT dated the 16<sup>th</sup> day of APRIL 2003, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC," and The City of Key West, hereinafter "Contractor".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair, or improve museums, zoological parks, fishing piers, nature centers or sports arenas which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Contractor has applied for funding for the Southernmost Point Improvement project, hereinafter "the Project"; and

WHEREAS, Contractor has the ability to act as manager for the project; and

WHEREAS, the County and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community, to acquire and rehabilitate the project for use as a beach park facility open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Contractor and the County have entered into this agreement on the terms and conditions as set forth below.

1. **AGREEMENT PERIOD.** This agreement is for the period April 16, 2003 through December 31, 2003. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 11 and 12 below.

2. **SCOPE OF AGREEMENT.** The Contractor shall provide such services and materials as are required to design and construct park pedestals, benches and descriptive plaques at the Southernmost Point, located at the foot of Whitehead Street, Key West. The recipient of TDC capital project funding shall designate a project manager if no licensed architect, engineer or general contractor is involved in the project. If the project is performed by County or City personnel, the project manager shall be the Engineer, Building Official or Construction Manager of that local government.

3. **AMOUNT OF AGREEMENT AND PAYMENT.** The County shall provide an amount not to exceed \$30,000 in reimbursement for materials and services used to acquire, improve, rehabilitate, repair and renovate the property. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this agreement is contingent upon an annual appropriation by the BOCC.

a). Payment for expenditures permissible by law and County policies shall be made through reimbursement to Contractor upon presentation of invoices, canceled checks and other

*Southernmost Point Project*

documentation necessary to support a claim for reimbursement. Included in said documentation shall be proof that the Contractor has received and applied to the property matching funds equivalent to or greater than the amount invoiced to the County. Submission of invoices must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual.

b). Application of matching funds requires actual payment of the matching funds, or, in the alternative, a commitment of said funds and that the portion of the project for which the matching funds are to be used has been sufficiently completed to require payment of said matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice.

c). Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions should have a proposed schedule of values for phases and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

4. **REPORTS.** The Contractor shall provide financial reports in summary of activity on forms provided or approved by the TDC, and quarterly narrative reports of activity under the approved work plan. The Contractor shall keep such records as are necessary to document the performance of the agreement and expenses as incurred, and give access to these records at the request of the TDC, the County, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of the Contractor to maintain appropriate records to insure a proper accounting of all funds and expenditures. The Contractor understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Contractor will be billed by the County for the amount of the audit exception and shall promptly repay any audit exception.

5. **MODIFICATIONS AND AMENDMENTS.** Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County.

6. **INDEPENDENT CONTRACTOR.** At all times and for all purposes hereunder, the Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Contractor or any of its employees, contractors, servants or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

7. **COMPLIANCE WITH LAW.** In carrying out its obligations under this agreement, the Contractor shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement, including those now in effect and hereafter adopted. Any

*Southernmost Point Project*

violation of said statutes, ordinances, rules or regulations shall constitute a material breach of this agreement and shall entitle the County to terminate this agreement immediately upon delivery of written notice of termination to the Contractor.

8. **RESTRICTIONS ON AGREEMENTS ENTERED PURSUANT TO THIS AGREEMENT.** The Contractor shall include in all agreements funded under this agreement the following terms:

a) **Anti-discrimination.** Contractor agrees that they will not discriminate against any employees or applicants for employment or against persons for any other benefit or service under this agreement because of their race, color, religion, sex, national origin, or physical or mental handicap where the handicap does not affect the ability of an individual to perform in a position of employment, and to abide by all federal and state laws regarding non-discrimination.

b) **Anti-kickback.** Contractor warrants that no person has been employed or retained to solicit or secure this agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the Contractor has any interest, financially or otherwise, in Contractor. For breach or violation of this warranty, the Contractor shall have the right to annul this agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee. Contractor acknowledges that it is aware that funding for this agreement is available at least in part through the County and that violation of this paragraph may result in the County withdrawing funding for the Project.

c) **Licensing and Permits.** Contractor warrants that it shall have, prior to commencement of work under this agreement and at all times during said work, all required licenses and permits whether federal, state, County or City.

9. **ANTI-DISCRIMINATION.** The Contractor agrees that they will not discriminate against any of their employees or applicants for employment or against persons for any benefit or service because of their race, color, religion, sex, national origin, or physical or mental handicap where the handicap does not affect the ability of an individual to perform in a position of employment, and to abide by all federal and state laws regarding non-discrimination.

10. **ANTI-KICKBACK.** The Contractor warrants that no person has been employed or retained to solicit or secure this agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County or TDC has any interest, financially or otherwise, in the said funded project, except for general membership. For breach or violation of this warranty, the County shall have the right to annul this agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

11. **TERMINATION.** This agreement shall terminate on <sup>Dec 31, 2003</sup> September 30, 2003. Termination prior thereto shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the continuation of this agreement pursuant to the terms specified herein, this agreement may then be terminated immediately by written notice of termination delivered in person or by mail to Contractor. The County may terminate this agreement without cause upon giving written notice of termination to provider. The County shall not be obligated to pay for any services or goods provided by Contractor after Contractor has received written notice of termination.

**12. TERMINATION FOR BREACH.** The County may immediately terminate this agreement for any breach of the terms contained herein. Such termination shall take place immediately upon receipt of written notice of said termination. Any waiver of any breach of covenants herein contained to be kept and performed by Contractor shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same conditions or of any other conditions. Failure to provide County with certification of use of matching funds or matching in-kind services at or above the rate of request for reimbursement or payment by is a breach of agreement, for which the County may terminate this agreement upon giving written notification of termination.

**13. ENTIRE AGREEMENT.** This agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the Contractor and the County.

**14. CONSENT TO JURISDICTION.** This agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County.
